I HADN'T
PLANTED ANY
FLOWERS, SO I
ACTUALLY
HAD PROBLEMS

SO I DID
EVERYTHING
I COULD TO GET
ALL THE SNOW
OFF THE TULIP

EVEN IN
KINDERGARTEN,
I DIDN'T KNOW
THAT TULIPS
COULD SURVIVE

MY HANDS
WERE ITCHY

I PLANTED
THEM BACK
INTO THE

君と僕。

*Fans to Baku* started out as a hilarious gag manga with  
 these developing kids  
 I don't know how to do gag! I've never done that before!  
 I don't have any materials either!  
 I said that (bleh!) at the time, but I will have a lot of fun  
 drawing.  
 Now the four high schoolers I've been drawing for the serialization  
 of *Fans to Baku* will appear as kindergarteners here.

My experience stands out noticeably both then and now!  
 But even now I will have a lot of fun as I continued to  
 drawing for the short gag series of *Fans to Baku* so I'm  
 happy that this story will continue in this form.
